INSURANCE

## Who Is Hagerty?

Headquartered in Traverse City, Michigan, Hagerty started out as a general lines insurance agency some 40 years ago. In the early '80s, we saw a niche to be filled and started offering coverage for wooden boats. Our passion for all things classic led us to add collector cars to the mix, and today we're the largest insurance agency for collector cars and boats in the United States.

Being collectors ourselves, we understand what car owners want and need to protect their investment. We also know that collectors are among the safest drivers on the road, a fact that allows us to provide comprehensive coverage at extremely competitive rates.

And while other companies shy away from non-traditional vehicles, Hagerty welcomes them. Whether you own a Model T, a Lamborghini or even a Pacer, we handle them all. We look forward to working with you and protecting your collector car – whatever it may be.

## What Qualifies

Hagerty offers insurance coverage for hundreds of thousands of collector vehicles used for pleasure driving, car shows and club events. We offer full insurance coverage for stock and safely modified vehicles, including:

- Antiques
- Muscle Cars
- Classics & Modern Classics
- Exotics & Special Interest Cars
- Street Rods
- Custom Cars
- Fire Trucks
- Military Vehicles
- Antique Tractors
- Trucks
- Vintage Motorcycles
- Cars Under Active Restoration

*"In business, you want to work with the best. You want to work with people who share the same passion as you do. I've met those people at Hagerty. They love what they do and it shows. That's what keeps me a loyal Hagerty client."*

## Why You Need Hagerty

You may have noticed there's a big difference between collector car and regular use policies. As a rule, standard insurance policies are not designed for collector cars and carry premiums that can cost up to *five times* more than those offered by a specialty program like Hagerty's. And low premiums aren't the only thing that sets us apart. Our benefits include:

- **Agreed Value Coverage** – In the event of a total loss, you're guaranteed a check for the full agreed value.
- **Single Liability Charge\*** – You'll be charged only one liability fee no matter how large your collection.
- **Low Premiums** – You'll receive the lowest rates available for such complete coverage.
- **In-House Claims** – Claims are handled quickly and knowledgeably by the most collector car-savvy service team in the business.
- **Flexible Usage** – Drivers can enjoy their classics with comfortable limits.
- **Repair Shop of Choice** – In the event of a claim, we let you choose your repair shop.
- **No Deductible\*** – If you have a claim, you pay nothing.
- **Automatic New Purchase Coverage\*** – Instant coverage is extended for up to 30 days on stock vehicle purchases up to \$50,000.
- **No Notarized Forms** – You'll experience hassle-free service.
- **No Renewal Applications** – Why fill it out again?

## We Also Offer:

- Club Liability Insurance
- Overseas Transportation Coverage
- Overseas Touring Coverage
