

IMPORTANT NOTICES VEHICLE USE AND INFORMATION PRACTICES – MAINE

This notice is for informational purposes only and is not part of an insurance contract. Insurance coverage is subject to the terms, coverages, conditions, and exclusions in the policy. If there is anything in this notice that is in conflict with the policy, the policy terms and conditions apply and are not modified by this notice. Your insurance policy is underwritten by State Farm Classic Insurance Company and insurance services are administered by Hagerty Insurance Agency, LLC.

STORAGE

While not in use, your vehicle(s) will be kept at its principal storage address in a solidly constructed, completely enclosed and locked structure (unless Hagerty or the Company agrees otherwise).

USE

1. Your vehicle(s) will be used on a limited basis consistent with the operation of a collectible vehicle such as occasional pleasure drives and club/hobby activities.
2. Your vehicle(s) will not be used frequently for regular driving such as driving to and from work or school, shopping, errands, general transportation, or back-up use.

INSURED REGULAR USE VEHICLE

You acknowledge and agree that:

1. Each driver within your household has a separately insured regular use vehicle of which he or she is the primary operator.
2. All regular use vehicles in your household are insured by a separate personal auto insurance policy (or if a business auto policy, with the appropriate personal liability endorsements), with limits that satisfy all minimum state insurance requirements and at least match the types and amounts of coverage elected in this policy, maintained in your name (if owned by you), in full force and effect for the entire current and subsequent terms of this policy.
3. In no event will this policy serve as your household's only auto insurance. The insurance on all regular use vehicles in your household will be primary on any claim and will satisfy all minimum state insurance requirements, except with respect to the use of the vehicle(s) listed on this policy's Declarations Page.
4. If you fail to maintain a regular use vehicle(s) with a separate insurance policy that satisfies the minimum state insurance requirements, the coverage under this policy will apply the same as if you did maintain a primary policy on your regular use vehicle(s). If the company is required by law to provide any coverage with respect to your regular use vehicle(s) or any other vehicle(s), coverage under this policy will be excess to any other insurance, and the amount this policy may be required to pay is limited to the minimum types and limits of such coverage required by law.

CHANGES DURING ANY POLICY TERM

It is your responsibility to inform State Farm or your agent of any change in the information provided before or after a policy is issued. This includes but is not limited to the following:

1. Changes in the number of licensed household drivers or regular vehicle operators or their license status;
2. Modifications to your vehicle(s), including the addition of nitrous system(s), hydraulics, or any modifications meant to achieve 650 horsepower or greater;
3. Any increase or decrease in the value of your vehicle(s) for which you would expect a change in the amount of insurance coverage or premium charged. You understand that State Farm and your agent are not responsible for monitoring or changing vehicle values unless you request the change; or
4. Any decrease in the liability/UM/UIM limits for the regular use vehicles in your household.
