### **DEFINITIONS**

The following definition is added with respect to the coverage provided by this endorsement only:

### **PART D – COVERAGE FOR DAMAGE TO YOUR COVERED AUTO**

#### **LIMIT OF LIABILITY**

Sections A. is replaced by the following:

- A. 1. We will pay the limit shown under **Part D** in the Declarations for each scheduled vehicle under construction, which is agreed to be the value of "your covered auto", in case of a total loss or "constructive total loss". This limit of liability shown for each vehicle is increased by ten percent at the end of each three-month period after the policy effective date. However, during the policy period, we will not pay more than \$25,000 above the agreed value shown in the Declarations, regardless of the number of claims made.
2. Upon expiration of the policy period, the limit reverts back to the agreed value shown in the Declarations. This amount is used to process your renewal unless you request a change in the amount of insurance to which we must also agree.

The following coverage is added:

#### **AUTOMOTIVE TOOLS COVERAGE**

We will pay up to \$750 for direct and accidental loss or damage to "Automotive Tools" for "your covered auto", subject to a deductible of \$25. This coverage does not include tools used in any business, or property of others in your care, custody or control.

However, we will not pay for loss to "Automotive Tools" caused by theft unless the loss results from forcible entry into the place where your "Automotive Tools" are normally kept; into "your covered auto" itself; or into a securely locked compartment. All losses caused by theft must have visible marks of forcible entry.
