

PLEASE READ THIS ENDORSEMENT CAREFULLY AS IT CHANGES YOUR POLICY

KEY ON EXCLUSION

Coverage under **Part D – Coverage for Damage to Your Covered Auto** is amended as follows:

Coverage for “your covered auto” to which this endorsement applies is provided only when the vehicle’s engine is not in operation. At such time as the engine startup sequence is initiated, coverage will be suspended for the entirety of the time the engine is operating. Coverage will resume when the engine has returned to its nonoperational state. This suspension in coverage applies to both “collision” and “other than collision” losses.

A suspension in “collision” coverage under this endorsement supersedes “collision” coverage under Limited Trailer and Paddock Collision Coverage endorsement.

All other policy provisions apply.
