CHERISHED SALVAGE® COVERAGE - VIRGINIA

For an additional premium, this coverage applies when a scheduled vehicle is designated with Cherished Salvage® Coverage in the Declarations or Schedule.

The following provision is added to **PART D – COVERAGE FOR DAMAGE TO YOUR AUTO:**

CHERISHED SALVAGE

In the event of a total loss or “constructive total loss” to a “your covered auto” the salvage belongs to you, at your option. However, if payment is made for a total loss due to theft, and “your covered auto” is later recovered in a condition that would not be considered a total loss or “constructive total loss”, the right of salvage for that vehicle belongs to us.

All other policy provisions apply.
