DEFINITIONS

The definition of "your covered auto" is replaced by the following:

"Your covered auto" means an "auto":

1. For which you are required to maintain security under the Michigan Insurance Code; and
2. To which the bodily injury liability coverage of this policy applies.

The following definitions are added:

"Auto" means a motor vehicle or trailer operated or designed for use on public roads. It does not include:

1. A motorcycle or moped;
2. A farm tractor or other implement of husbandry which is not subject to the registration requirements of the Michigan Vehicle Code; or
3. A vehicle operated by muscular power or with fewer than 3 wheels.

"Auto accident" means a loss involving the ownership, operation, maintenance, or use of an "auto" as an "auto" regardless of whether the accident also involves the ownership, operation, maintenance, or use of a motorcycle as a motorcycle.

"Qualified health coverage" as used in this endorsement means either of the following:

1. Other health or accident coverage in which:
 - a. Such coverage does not exclude or limit coverage for "bodily injury" sustained in an "auto accident"; and

- b. The annual deductible for such coverage is \$6,579 or less per individual or the amount as annually adjusted by the Director of the Department of Insurance and Financial Services; or
- 2. Coverage provided under Parts A and B of Medicare (or a Medicare Advantage plan).
 "Attendant care" as used in this endorsement means services to assist an injured person with tasks he/she would normally do for himself/herself (e.g., eating, bathing, dressing, grooming, and medication administration). It may also involve supervision or other types of support.
 "Insured" as used in this endorsement means:
 - 1. You or any "family member" injured in an "auto accident";
 - 2. Anyone else injured in an "auto accident" while "occupying" a motorcycle if the accident involves "your covered auto".

PERSONAL INJURY PROTECTION COVERAGE

INSURING AGREEMENT

- A. We will pay personal injury protection benefits to or for an "insured" who sustains "bodily injury". The "bodily injury" must:
 - 1. Be caused by accident; and
 - 2. Result from the ownership, maintenance, or use of an "auto" as an "auto".
- B. These benefits are subject to the provisions of the Michigan Insurance Code. Subject to the limits shown in the Declarations or Schedule, personal injury protection benefits consist of the following:
 - 1. Allowable expenses subject to limitation of Chapter 31 of the Michigan Insurance Code for:
 - a. Medical Expenses
 Reasonable and necessary medical expenses incurred for an "insured's":
 - 1) Care;
 - 2) Recovery; or
 - 3) Rehabilitation.
 This includes "attendant care".
 Only semiprivate room charges will be paid unless special or intensive care is required.
 - b. Funeral Expenses
 Reasonable funeral and burial expenses incurred.
 - 2. Work Loss
 Up to 85% of an "insured's" actual loss of income from work. We will pay a higher percentage if the "insured" gives us reasonable proof that net income is more than 85% of gross income. The most we will pay in any 30-day period for this benefit is the amount shown in the Declarations or Schedule unless another amount is established by law. Any income an "insured" earns during the 30-day period is included in determining the income benefit we will pay. This benefit is payable for loss sustained during the three years after the accident. It does not apply after an "insured" dies. We will prorate this benefit for any period less than 30 days.
 - 3. Replacement Services
 Reasonable expenses for obtaining services to replace those an "insured" would have done:
 - a. Without pay; and
 - b. For the benefit of that "insured" or that "insured's" dependents.
 This benefit is payable for loss sustained during the three years after the accident. It does not apply after an "insured" dies.
 - 4. Survivor's Loss

a. Income Loss

The contributions a deceased “insured’s” spouse and dependents would have received as dependents, if the “insured” had not died. The contributions must be tangible things of economic value, not including services.

b. Replacement Services

Reasonable expenses incurred for obtaining services to replace those a deceased “insured” would have done for that “insured’s” spouse and dependents. The most we will pay in any 30-day period for the total of these benefits is the amount shown in the Declarations or Schedule unless another amount is established by law. These benefits are payable for loss sustained during the three years after the accident. A deceased “insured’s” spouse must have either:

- 1) Resided with; or
- 2) Been dependent on;

the “insured” at the time of death. The benefits end for a spouse at remarriage or death.

Any other person who was dependent upon the deceased “insured” at the time of death qualifies for benefits if, and as long as, that dependent is:

- 1) Under age 18; or
- 2) Physically or mentally unable to earn a living; or
- 3) In a full-time formal program of academic or vocational education or training.

LIMIT OF LIABILITY

- A. The limits of liability shown in the Declarations or Schedule for Personal Injury Protection Coverage are the most we will pay for each "insured" injured in any one accident, regardless of the number of:
- 1. "Insureds";
 - 2. Claims made;
 - 3. Vehicles or premiums shown in the Declarations or Schedule;
 - 4. Vehicles involved in the accident; or
 - 5. Insurers providing no-fault benefits.

However, this insurance shall not be reduced by any amount of workers' compensation benefits, if workers' compensation benefits that are required to be provided are not available to an "insured".

1. Written notice of the injury has been given to us within one year from the date of the accident; or
2. We have already paid any personal injury protection benefits for the injury.

If either 1. or 2. applies, you may bring action against us. Action must be brought within one year from the date the most recent medical or funeral expense or work or survivor’s loss was incurred. The commencement of an action and the recovery of benefits is tolled from the date of a specific claim for payment of personal injury protection benefits until the date we formally deny the claim. Such tolling does not apply if the person claiming the benefits fails to pursue the claim with reasonable diligence. No one may recover benefits for any portion of the loss incurred more than one year before the date on which the action was begun.

The **Our Right To Recover Payment** provision is amended as follows:

Paragraph A. is replaced by the following:

A. If we make a payment under this coverage and the person to or for whom payment was made has a right to recover damages from the owner or operator of a motor vehicle, and that owner or operator is an uninsured motorist, we shall be subrogated to that right. That person shall do:

If the Declarations or Schedule indicate Coordination of Medical Benefits, the amount payable for this benefit shall be subject to a \$500 deductible per accident.

However, if the claimant or injured party (named insured or “family member”):

1. Has coverage of the type described in B.1.a. above, through other sources which applies to medical expenses due to an auto accident; and
2. Which is in effect at the time of the loss;

The deductible shall be waived for that loss.

- B. When Coordination of Work Loss is displayed in the Declarations or Schedule, it is agreed that the following is added to Exclusion B.2. of the **PERSONAL INJURY PROTECTION COVERAGE – MICHIGAN** endorsement:

If the Declarations or Schedule indicate Coordination of Work Loss, the amount payable for this benefit shall be subject to a \$500 deductible per accident.

However, if the claimant or injured party (named insured or “family member”):

1. Has coverage of the type described in B.2.a. above, through other sources which applies to work loss due to an auto accident; and
2. Which is in effect at the time of the loss;

The deductible shall be waived for that loss.

DUPLICATION OF BENEFITS

No one will be entitled to duplicate payments for the same elements of loss under this coverage regardless of the number of:

- A. Vehicles covered; or
- B. Insurers (including self-insurers) providing security in accordance with the Michigan Insurance Code or any other similar law.

An “insured” who sustains “bodily injury” resulting from an “auto accident” which shows evidence of the involvement of an “auto” while an operator or passenger of a motorcycle shall claim insurance benefits in the following order of priority:

- A. The insurer of the owner or registrant of the “auto” involved in the accident.
- B. The insurer of the operator of the “auto” involved in the accident.
- C. The “auto” insurer of the operator of the motorcycle involved in the accident.
- D. The “auto” insurer of the owner or registrant of the motorcycle involved in the accident.

If personal injury protection benefits are payable under two or more policies in the same order of priority, the benefits are only payable up to an aggregate coverage limit that equals the highest available coverage limit under any one of the policies.

OTHER INSURANCE

If Medical Expenses are payable under more than one policy with the same order of priority, benefits are only payable up to an aggregate coverage limit that equals the highest available coverage limit under any one of the policies.

If an “insured” is a named insured under this policy and that “insured” is insured as a spouse or as a “family member” under another policy providing similar coverage, Medical Expenses benefits for such named insured are only payable up to the Limit of Liability shown in the Declarations or Schedule for each person under this

policy.

PREMIUM RECOMPUTATION

The Michigan Insurance Code places certain limitations on a person's right to sue for damages. The premium for this Policy reflects these limitations. A court from which there is no appeal can declare any of these limitations unenforceable. If this occurs, we will have the right to recompute the premium. You can choose to delete any coverage as the result of the court's decision. If you do, we will compute any refund of premium on a pro rata basis.

QUALIFIED HEALTH COVERAGE INELIGIBILITY

The named insured shall notify us when "qualified health coverage" has been terminated for the named insured, named insured's spouse or any "family member" if the Declarations or Schedule indicates that coverage for medical expenses is excluded for the named insured, named insured's spouse or any "family member". In such case, the named insured shall obtain coverage for personal injury protection benefits within 30 days after the effective date of the termination of "qualified health coverage".

If it is determined that the named insured, named insured's spouse or any "family member" did not have "qualified health coverage" in effect at the time an accident occurred which resulted in "bodily injury" to that named insured, named insured's spouse or "family member" after the 30-day period in which the "qualified health coverage" has elapsed, and the named insured did not obtain personal injury protection coverage within such period, such injured person is not entitled to medical expenses benefits under this policy.

All other policy provisions apply.
