

RENTAL VEHICLE COVERAGE – MAINE

For policies that provide any combination of personal auto liability and personal auto physical damage coverage, we are required to provide coverage for actual damage to a “covered rental vehicle”, including charges for verifiable and actual loss of use not to exceed 30 days, rented by an insured in the United States, its territories or possessions, or Canada under a covered rental agreement. The deductible applicable to the “covered rental vehicle” may not exceed the highest of the deductibles for physical damage coverage applicable to any of the vehicles insured on your policy with us.

“Covered rental vehicle”, as defined in Title 24-A §2927, means a private passenger auto, a sport utility vehicle, a pickup truck, or a van rented to you or a “family member”, through a written agreement for a term of 45 or fewer continuous days, by any person or organization, including franchisees, in the business of providing private passenger motor vehicles to the public, regardless of where that rental vehicle is registered, rented, or operated.

Details on coverage and eligibility can be found in the AC 001 ME (State Endorsement – Maine) included with your policy.
