

PLEASE READ THIS ENDORSEMENT CAREFULLY AS IT CHANGES YOUR POLICY

KEY ON EXCLUSION – NEW YORK

This restriction applies only to “your covered auto” which is a Motorsports or Pro-Street vehicle with an engine size exceeding 2000 HP, or which is powered by nitrous oxide or blown alcohol, designated in the Declarations with **Key On Exclusion**.

PART D – COVERAGE FOR DAMAGE TO YOUR COVERED AUTO

The following is added:

Coverage for “your covered auto” to which **Key On Exclusion** applies is provided only when the vehicle’s engine is not in operation. At such time as the engine startup sequence is initiated, coverage will be suspended for the entirety of the time the engine is operating. Coverage will resume when the engine has returned to its nonoperational state. This suspension in coverage applies to both “collision” and “other than collision” losses.

A suspension in “collision” coverage under this endorsement supersedes “collision” coverage under the **Limited Trailer and Paddock Collision Coverage** endorsement.

All other policy provisions apply.
