"Insured" as used in this endorsement means:

1. The named insured shown in the Declarations injured in an "auto accident";
2. Anyone else injured in an "auto accident":
 - a. While "occupying" "your covered auto"; or
 - b. If the accident involves any other "auto":

PERSONAL INJURY PROTECTION COVERAGE

INSURING AGREEMENT

- A. We will pay personal injury protection benefits to or for an "insured" who sustains "bodily injury". The "bodily injury" must:
 1. Be caused by accident; and
 2. Result from the ownership, maintenance or use of an "auto" as an "auto".
- B. These benefits are subject to the provisions of the Michigan Insurance Code. Subject to the limits shown in the Declarations or Schedule, personal injury protection benefits consist of the following:
 1. Medical Expenses

Reasonable and necessary medical expenses incurred for an "insured's":

 - a. Care;
 - b. Recovery; or
 - c. Rehabilitation.

Only semiprivate room charges will be paid unless special or intensive care is required.
 2. Funeral Expenses

Reasonable funeral and burial expenses incurred.
 3. Work Loss

Up to 85% of an "insured's" actual loss of income from work. We will pay a higher percentage if the "insured" gives us reasonable proof that net income is more than 85% of gross income. The most we will pay in any 30-day period for this benefit is the amount shown in the Declarations or Schedule unless another amount is established by law. Any income an "insured" earns during the 30-day period is included in determining the income benefit we will pay. This benefit is payable for loss sustained during the three years after the accident. It does not apply after an "insured" dies. We will prorate this benefit for any period less than 30 days.
 4. Replacement Services

Reasonable expenses for obtaining services to replace those an "insured" would have done:

 - a. Without pay; and
 - b. For the benefit of that "insured" or that "insured's" dependents.

This benefit is payable for loss sustained during the three years after the accident. It does not apply after an "insured" dies.

5. Survivor's Loss

a. Income Loss

The contributions a deceased "insured's" spouse and dependents would have received as dependents, if the "insured" had not died. The contributions must be tangible things of economic value, not including services.

b. Replacement Services

Reasonable expenses incurred for obtaining services to replace those a deceased "insured" would have done for that "insured's" spouse and dependents. The most we will pay in any 30-day period for the total of these benefits is the amount shown in the Declarations or Schedule unless another amount is established by law. These benefits are payable for loss sustained during the three years after the accident. A deceased "insured's" spouse must have either:

(1) Resided with; or

(2) Been dependent on;

the "insured" at the time of death. The benefits end for a spouse at remarriage or death.

Any other person who was dependent upon the deceased "insured" at the time of death qualifies for benefits if, and as long as, that dependent is:

(1) Under age 18; or

(2) Physically or mentally unable to earn a living; or

(3) In a full-time formal program of academic or vocational education or training.
