

COLLECTOR CAR INSURANCE

### Parent/Teen Driving Agreement

This contract is designed to create and maintain clear communication between teen drivers and parents regarding driving privileges.

I, \_\_\_\_\_, understand that driving is a privilege that is earned through consistently responsible behavior. It is not a right. In order to maintain my parents' trust and my driving privileges I agree to the following:

- I will discuss with my parents in advance where I'm going and when I will return. I also agree to be where I say I'm going to be. If plans change while I'm out, I will call and clear it with my parents immediately.
- I will understand and obey all traffic laws. If I receive a traffic violation, I risk losing driving privileges. If it results in an increase of the vehicle's insurance, I will pay for that increase.
- I will not talk on my cell phone while driving. I will only make or receive call while parked.
- I will always wear my seat belt and require all passengers to buckle up as well.
- I will never drive after consuming alcohol or using illegal substances/drugs. If I violate this rule, I will lose all driving privileges.
- I will never ride in a vehicle with a driver who has consumed alcohol or used an illegal substance. I understand should I break this rule, I will lose all driving privileges.
- I will drive safely and defensively at all times.
- I will not be permitted to drive with any person other than a family member in my vehicle until \_\_\_\_\_. After that date, I agree to have no more than \_\_\_ friends with me in the car unless I have obtained permission from my parents.
- I will not drive another vehicle or allow anyone to drive my vehicle unless it is a genuine emergency such as illness or injury.
- I will maintain at least a quarter tank of gas and routinely check the engine oil and tire pressure. I also agree to take care of the vehicle, and keep it clean and free of trash.

We, \_\_\_\_\_ as responsible parents agree to:

- Provide \_\_\_\_\_ (teen's name) with access to the vehicle as long as responsible driving good grades and a good attitude are demonstrated.
- We agree to pick up \_\_\_\_\_ (teen's name) at any time, from any location, in a situation where he/she has consumed alcohol or is in need of a ride.
- We agree to provide access to a vehicle, pay insurance premiums and provide gasoline funds.
